***Auction House*** (1x60min)

**Fall 2016**

**Canadian Original, World Broadcast Premiere**

Fifteen years ago they were a small group of friends selling rare coins. Last year they cleared \$1 billion in sales. Dallas-based Heritage Auctions is now the third-largest auction house in the world nipping at the heels of industry stalwarts Christie's and Sotheby's. This is the first series that takes viewers inside the high stakes world of a top-tier auction house.

***Black Watch*** (working title) (1x90min)

**Fall 2016**

**Canadian Original, World Broadcast Premiere**

*Black Watch* tells the epic story of five men who fought their way through WWII as a team of snipers and scouts. Their mission is to clear towns of Nazi soldiers who could decimate advancing Allied troops. This is a 'Band of Brothers' story as told by the men who experienced it: the surviving members of a sniper unit from Canada's most storied regiment, the Black Watch. The Black Watch snipers did the dirtiest work in the war, armed with nothing but their wits and their rifles, as they endured the ultimate test of combat in the liberation of Western Europe from Nazi tyranny. Most of these men are still alive, and their intimate, first-hand accounts of the hell they fought through are combined with compelling and dramatic re-creations of their battle experiences.

***Nazi Treasure Hunters*** (8x60min)

**Spring 2017**

Correspondents include **Jack Black, Ty Burrell, James Cameron, Thomas Friedman, Joshua Jackson, David Letterman, Aasif Mandvi, Olivia Munn, Arnold Schwarzenegger, Ian Somerhalder, Cecily Strong** and more, all giving first-person accounts from locations, shockingly close to home, where the effects of global warming are most prevalent. They will cover crucial issues like severe hurricanes, historic droughts and the rapidly increasing extinction rate of our planet's wildlife. The result will be a gritty and raw look at not only how our species has impacted our planet, but also how we can save it for future generations.

***Killing Reagan*** (1x120min)

**Fall 2016**

**Canadian Broadcast Premiere**

*Killing Reagan* is a two hour special based on Bill O'Reilly's book of the same name. Just two months into his presidency, Ronald Reagan lay near death after a gunman's bullet came within inches of his heart. His recovery was nothing short of remarkable, or so it seemed. Reagan was grievously injured, forcing him to encounter a challenge that few men ever face. Could he silently overcome his traumatic experience while at the same time carrying out the duties of the most powerful man in the world?

***Nazi Attack on America*** (1x60min)

**Fall 2016**

**Canadian Broadcast Premiere**

The year is 1919 and World War I has ended but one man, Karl Donitz, is not focused on peace. A veteran of Germany's WWI submarines, Donitz is being held in a British prison. Awaiting release, he is already imagining another war, a war he believes Germany can decisively win. The key will be the German "Unterseeboot" or "U-boat." Analyzing U-boat performance in World War I, Donitz believes Germany could have won if they had more submarines. He runs the numbers and calculates that with a large enough fleet of subs, he could sink ships faster than they could be replaced, starving England and forcing their surrender.

***MARS*** (6x60min)

**Fall 2016**

**Canadian Broadcast Premiere**

One hundred years from now, thousands of our descendants will be living on the fourth planet from the sun. From Academy Award-winning team, **Brian Grazer** and **Ron Howard**, this is the story of how we got to Mars. **Fall 2016/Winter 2017**

#### **Canadian Original, World Broadcast Premiere**

Hundreds of years from now, the last surviving humans discover the means of sending consciousness back through time, directly into people in the 21st century. These "travelers" assume the lives of seemingly random people, while secretly working as teams to perform missions in order to save humanity from a terrible future. The travelers are: FBI Special Agent Grant MacLaren (**Eric McCormack**, *Will and Grace*), the team's leader; Marcy (**Mackenzie Porter**, *Hell on Wheels*), a young, intellectually disabled woman in the care of her social worker, David (**Patrick Gilmore**, *Gracepoint*); Trevor (**Jared Paul Abrahamson**, *Awkward*), a high school quarterback; Carly (**Nesta Marlee Cooper**, *Heroes Reborn*), a single mom in an abusive relationship; and Philip (**Reilly Dolman**, *Supernatural*), a heroin-addicted college student. Armed only with their knowledge of history and an archive of social media profiles, the travelers discover that 21st century lives and relationships are as much a challenge as their high-stakes missions.

***Incorporated*** (13x60min)

**Fall 2016**

#### **Canadian Broadcast Premiere**

Set in a near future where corporations have unlimited power, *Incorporated*, a futuristic thriller from **Matt Damon, Ben Affleck & Jennifer Todd's** Pearl Street Films, CBS Television Studios and Universal Cable Productions, centres around Ben Larson (**Sean Teale**, *Reign*), a young executive who conceals his true identity to infiltrate a very dangerous corporate world to save the woman he loves. But he'll soon learn that he's not the only one whose secrets may have deadly consequences. In addition to Teale, the series will star **Eddie Ramos** (*Teen Wolf*), Golden Globe<sup>®</sup> nominee **Dennis Haysbert** (24), and Emmy<sup>®</sup> Award winner **Julia Ormond** (*Mad Men*).

***Supergirl*** (22x60min)

**Fall 2016**

#### **Canadian Broadcast Premiere**

*Supergirl* is an action-adventure drama based on the character from DC, Kara Zor-El, Superman's (Kal-El) cousin who, after 12 years of keeping her powers a secret on Earth, decides to finally embrace her superhuman abilities and be the hero she was always meant to be. Twelve-year-old Kara escaped the

doomed planet Krypton with her parents' help at the same time as the infant Kal-El. Protected and raised on Earth by her foster family, the Danvers, Kara grew up in the shadow of her foster sister, Alex, and learned to conceal the phenomenal powers she shares with her famous cousin in order to keep her identity a secret. Years later, at 24, Kara lives in National City assisting media mogul and fierce taskmaster Cat Grant. She works alongside her friend and IT technician Winn Schott and famous photographer James Olsen, who Grant just hired away from the Daily Planet to serve as her new art director. However, Kara's days of keeping her talents a secret are over when Hank Henshaw, head of a super-secret agency where her sister also works, enlists her to help them protect the citizens of National City from sinister threats. Though Kara will need to find a way to manage her newfound empowerment with her very human relationships, her heart soars as she takes to the skies as Supergirl to fight crime.
