Airing exclusively on Global in the 2019 broadcast season, *Big Brother Canada* plucks a group of hand-picked strangers from their homes, sequesters them from the outside world, and places them inside a house outfitted wall-to-wall with cameras and microphones that capture their every move. Competing for a grand cash prize, the houseguests battle in a series of challenges each week that empower or punish them, voting each other out until the fate of the final two is decided by a jury of fellow houseguests.
