Dear Maria,

This letter is to confirm that episodic broadcast materials for first run television series to Corus Entertainment Inc. for exhibition in Canada on a 'day/date' basis with the initial linear broadcast of the same first run television series in the US are frequently delivered without Described Video to Corus on the day of broadcast and often only a few hours prior to broadcast of said episode.

If you have any questions, please do not hesitate to contact me.

Sincerely,

Phil King  
SVP, Sony Pictures Television Canada

Re: Delivery – Day/Date Programming

Dear Hayden,

This letter is to confirm that episodic broadcast materials for first run television series licensed by Warner Bros. International Television Distribution Inc. (“**Warner**”) to Rogers Media Inc. (“**Rogers**”) for exhibition in Canada on a “day/date” basis with the initial linear broadcast of such first run television series in the U.S.A. are delivered to Rogers in Toronto on the day of such initial U.S. broadcast (and generally only a few hours prior to U.S. broadcast) of such episode.

Please do not hesitate to contact me with any further questions.

Best regards,

A handwritten signature in black ink, appearing to read 'Robert Cooper', is written over a circular stamp or mark. The signature is fluid and cursive.

Robert Cooper

Re: Delivery of programming

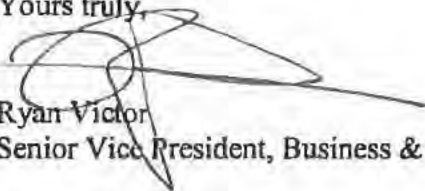

---

Dear Pat:

This letter is to confirm that first run television series licensed by NBC Universal to Bell Media for exhibition in Canada on a "day/date" basis with their initial linear broadcast of such first run television series in the U.S., are delivered to Bell Media in Toronto for the most part 24-hours ahead of the initial U.S. broadcast.

Should you require additional information, please let me know.

Yours truly,

  
Ryan Victor  
Senior Vice President, Business & Legal Affairs
