

1. Mandate

- 1.1. The mandate of the Audit Committee (the “Committee”) shall be to provide assistance to the Board of Directors (the “Board”) of Corus Entertainment Inc. (“Corus” or the “Company”) in fulfilling their oversight responsibilities relating to: (i) the integrity of the Company’s financial statements; (ii) the Company’s auditing, accounting and financial reporting process, including the audit process and the Company’s internal control over financial reporting, disclosure controls and procedures and compliance with other legal and regulatory requirements; (iii) the external auditor’s qualifications, independence and appointment; and, (iv) the performance of the Company’s internal audit function and external auditors.
- 1.2. It is not the duty or responsibility of the Committee or its members: (i) to plan or conduct audits; (ii) to determine that the Company’s financial statements are complete and accurate and are in accordance with generally accepted accounting principles; or (iii) to conduct other types of auditing or accounting reviews or similar procedures or investigations. The Committee, its Chair and its members with accounting or finance expertise are members of the Board, appointed to the Committee to provide broad oversight of the financial, risk and control related activities of the Company, and are specifically not accountable or responsible for the day to day operation or performance of such activities.
- 1.3. In fulfilling its mandate, it is the responsibility of the Committee to maintain free and open communication between the Committee, external auditors, the internal auditors, and management of the Company, and to determine that all parties are aware of their responsibilities.

2. Composition and Operations

- 2.1. The Committee shall be composed of three or more directors, as determined and appointed by the Board on an annual basis. Every Committee member must be independent as defined by National Instrument 52-110 Audit Committees. In this regard, to maintain their independence, members of the Committee may not accept any consulting, advisory or other compensatory fee (other than regular Board and Committee fees) from the Company or any of its affiliates. Members also may not receive any indirect payments from the Company or any of its affiliates, including payments (whether or not material) made to spouses or family members, or payments for services to law firms, accounting firms, consulting firms and investment banks for which the Committee member serves as a partner, member, managing director or executive. The members of the Committee and the Chair will be appointed annually by the Board and each member shall serve until the next annual general meeting of the shareholders of the Company or until his or her earlier resignation or removal by the Board. Notwithstanding the foregoing, any member of the Committee may be removed or replaced at any time by the Board and shall automatically cease to be a member of the Committee upon ceasing to be a director. The Board shall fill any vacancy if the membership of the Committee is less than three directors. Whenever there is a vacancy on the Committee, the remaining members may exercise all its power as long as a quorum remains in office.

- 2.2. Every Committee member must be financially literate as defined by National Instrument 52-110 *Audit Committees*. The determination of whether any given member of the Committee meets such definition, will be made by the Board, in consultation with the Corporate Governance Committee, in accordance with applicable laws, policies and guidelines of securities regulatory authorities.
- 2.3. No Committee member may serve on the audit committee of more than two other public companies, unless the Board determined that this simultaneous service would not impair the ability of the member to serve effectively on the Committee.
- 2.4. The Committee shall meet at least quarterly and as often as it deems necessary to perform the duties and discharge its responsibilities as described herein in a timely manner. Special meetings shall be authorized at the request of any member of the Committee or at the request of the external auditor, internal auditor or members of senior management. For purposes of this Charter, senior management shall have the same meaning as “executive officer” (as such term is defined in National Instrument 58-101 *Disclosure of Corporate Governance Practices*). The external and internal auditors have the right to attend all meetings of the Committee and the Committee has the authority to communicate with such auditors directly.
- 2.5. The Committee has access to the Company's senior management and documents as required to fulfill its responsibilities and is provided with the resources necessary to carry out its responsibilities.
- 2.6. The Board shall be kept informed of the Committee's activities by a report following each Committee meeting. The person designated to act as secretary shall prepare minutes of all meetings, to be filed in the corporate records.
- 2.7. The Committee has the authority to engage the services of independent outside advisors or counsel at the expense of the Company in consultation with the Executive Chair and to set the compensation for these advisors.
- 2.8. The secretary to the Committee shall be either the Corporate Secretary or a person, who need not be a director, designated by the Chair.
- 2.9. Notice of each meeting of the Committee shall be given to each member of the Committee as far in advance of the time for the meeting as possible, but in any event, not later than 24 hours preceding the time stipulated for the meeting (unless otherwise waived by all members of the Committee). Each notice of meeting shall state the nature of the business to be transacted at the meeting in reasonable detail and to the extent practicable, be accompanied by copies of documentation to be considered at the meeting.
- 2.10. A quorum for the transaction of business at a meeting shall consist of not less than a majority of the members of the Committee. Members of the Committee may participate in any meeting by means of such telephonic, electronic or other communication facilities as permit all persons participating in the meeting to communicate adequately with each other, and a member participating by any such means shall be deemed to be present at that meeting. Senior management of the Company and other parties may attend meetings of the Committee, as may

be deemed appropriate by the Committee. The Committee shall also meet at each meeting of the Committee without management or non-independent directors present, unless otherwise determined by the Chair. The Committee may act by means of a written resolution signed by all members entitled to vote on the matter.

- 2.11. If a Committee member faces a potential or actual conflict of interest relating to a matter before the Committee, other than matters relating to the compensation of directors, that member shall be responsible for alerting the Chair. If the Chair faces a potential or actual conflict of interest, the Chair shall advise the Executive Chair. If the Chair, or the Executive Chair, as the case may be, concurs that a potential or actual conflict of interest exists, the member faced with such conflict shall disclose to the Committee the member's interest and shall not be present for or participate in any discussion or other consideration of the matter and shall not vote on the matter.
- 2.12. The members of the Committee shall be entitled to receive such remuneration for acting as members of the Committee as the Board may from time to time determine.
- 2.13. Both the Executive Chair and the Chief Executive Officer of the Company may attend meetings of the Committee in a non-official and non-voting capacity with the consent of the Committee.
