TORONTO, August 24, 2020 – Like a good pile of leaves, Corus Entertainment's **YTV**, **TELETOON**, and **Treehouse** have bountiful fall schedules worth jumping into. The fun-filled lineups are guaranteed to have something for everyone, including laugh-out-loud live-action series, educational and entertaining preschooler series, and so many well-known characters and stories that are sure to stir up nostalgia for parents.

YTV

The wonder-fall schedule kicks off with Nelvana's new action-packed animated series ***Ollie's Pack***, premiering **Saturday, September 5 at 8 a.m.** *Ollie's Pack* follows Ollie and his backpack, which doubles as a powerful portal allowing an array of monsters to travel from the Monsterverse into Ollie's world on Earth. Ollie and his two best friends must protect the earth from the scary monsters that have escaped, while working with the helpful monsters who assist with their everyday tween problems, like sneaking into a movie or winning their school's Battle of the Bands contest. No matter the circumstances, Ollie's thirst for adventure undoubtedly gets him into trouble that only he and his friends can resolve.

Kid rapper and pint-sized powerhouse Young Dylan stars in the live-action series ***Tyler Perry's Young Dylan*** debuting on **Friday, September 11 at 6:30 p.m.** In *Tyler Perry's Young Dylan*, Dylan's grandmother Viola (Aloma Wright) realizes that raising her grandson is too much to take on, so she decides to send him to live indefinitely with her affluent son Myles Wilson (Carl Anthony Payne II), his wife Yasmine (Mieko Hillman) and their two kids Rebecca (Celina Smith) and Charlie (Hero Hunter). Suddenly, the Wilson family household needs to adapt as lifestyles clash between rising hip-hop star Young Dylan and his straight-laced cousins.

Family rules on YTV! A pair of hit family sitcoms join the schedule in September including **8 Simple Rules** on **Mondays at 8 p.m.** and **The Middle** on **Tuesdays at 8 p.m.** Lincoln and his family are back in all new episodes of **The Loud House** on **Saturdays at 10:30 a.m. beginning September 5**, and including a special, one-hour premiere episode for Season 5 on **Saturday, September 19**. Plus, a new season of **The Casagrandes**, a spin-off of *The Loud House*, premieres **Saturday, October 24 at 11 a.m.**

Coming this November is a brand new live-action buddy comedy, **Side Hustle**, starring social media sensations and real-life best friends, Annie LeBlanc and Jayden Bartels. The multi-camera series centres on best friends, Lex (Annie LeBlanc) and Presley (Jayden Bartels), who have to create a business fast after inadvertently destroying their neighbour's car.

Also in November, YTV's Spencer and Tyra are serving up the ultimate culinary experience on **Kid Food Nation presented by PC Children's Charity**. With the help of KFN Heroes, young cooks with local know-how, and well-known Canadian chefs, they take viewers on a food tour to explore the science, ingredients and cultures of Canadian cuisine. Jam-packed with kitchen inventions, taste tests and snack stops, this delicious series puts the power of food into the hands of kids.

YTV is available on National Free Preview from October 1 to October 31. Please check [local listings](#) for additional details.

TELETOON

For a rockin' good time, viewers won't want to miss **Yabba Dabba Dinosaurs** premiering **Saturday, September 5 and Sunday, September 6 at 9 a.m.** with new episodes **every weekend at 9 a.m.** Pebbles Flintstone and Bamm-Bamm Rubble are best friends growing up in prehistoric times when dinosaurs still walked the earth. They live in the town of Bedrock, a modern stone-age civilization, but whenever they get the chance, Pebbles and Bamm-Bamm head to the open wilderness outside of town known as The Craggs, where the environments are as wild and amazing as the countless different dinosaurs that live there. Together, along with the help of their crazy but faithful dinosaur, Dino, and their clinical but endlessly accommodating smart stone app Wicky (a bird), Pebbles and Bamm-Bamm travel around the Craggs helping new friends, fighting new enemies and learning about life and friendship through their endless crazy adventures.

The Looney Tunes are back in action! Premiering **Sunday, October 11 at 9 a.m., Looney Tunes Cartoons** echoes the high production value and process of the original *Looney Tunes* theatrical shorts, with a cartoonist-driven approach to storytelling. Bugs Bunny, Daffy Duck, Porky Pig and other marquee Looney Tunes characters will be featured in their classic pairings in simple, gag-driven and visually vibrant stories. Each cartoon will vary from one to six minutes in length and, from the premise on through to the jokes, will be "written" and drawn by the cartoonists, allowing their own personality and style to come through in each cartoon.

Scooby-Doo and the gang are back for more hilarious mystery-solving hijinks in Season 2 of **Scooby-Doo & Guess Who?** premiering **Sunday, October 18 at Noon ET.**

Ready or not, here they come! November will see the premiere of **Tig n' Seek**, which follows an upbeat and eccentric 8-year-old boy named Tiggy and his cat, Gweeseek. Tiggy not only works at the Department of Lost and Found, finding lost items all throughout WeeGee City, he lives there too! Though he tries to help his friends whenever he can, his over-eagerness and neurotic quirks often lead to chaos in the Department. Tiggy's partner and best friend is Gweeseek. She's a graceful, friendly kitty who appears to be a normal cat, but is also capable of inventing extraordinary gadgets to help her friends in times of need.
