TORONTO, February 24, 2020 – Toronto's alternative station, **102.1 the Edge** (CFNY-FM) launched today its much anticipated new morning show ***The B Team***. Hosted by one of Canada's edgiest morning show teams: **Shawna, Chris Z** and **Jay Brody** – former morning show hosts on sister rock radio station Y108 in Hamilton – ***The B Team*** airs weekdays from **5:30 a.m. – 10:00 a.m. ET** on the Edge.

"We're really excited to bring edge back to the Edge with one of the country's most bold morning shows in ***The B Team***," said Tammy Cole, Toronto/Hamilton Regional Program Director for

Corus Radio. “To deliver that, as well as expand *Taz & Jim* – who as a duo have dominated in a major Ontario market for almost a decade – to Hamilton in their place is great news for listeners on both the Edge and Y.”

Since teaming up to host the **Y108** (CJXY-FM) morning show in 2018, Shawna, Chris Z and Jay Brody have become beloved locally, delivering their unique brand of hilariously edgy radio banter. The trio depart after a combined twenty years at the station; mainstays Shawna and Chris Z having co-hosted previous iterations of the morning show together, with newest member Jay Brody joining from a prior stint at SiriusXM.

Filling the vacated Y108 morning show slot is ***Taz & Jim***, which made its debut on the station this morning. Hosted by one of Canada’s most successful rock radio duos in **Taz** and **Jim Kelly**, the pair have consistently ranked as the #1 rated morning team in the London, Ont. market since their show’s debut nearly a decade ago. In addition to airing live on Y108, *Taz & Jim* will continue to be live on FM96 in London – with local traffic, news and updates provided for both markets – weekdays from **5:30 a.m. – 9:30 a.m. ET**.

102.1 the Edge’s full programming lineup is rounded out by ever-present **Carly** in her familiar midday slot from **10 a.m. – 2 p.m. ET**, afternoon drive duo **Kolter** and **Meredith** from **2 p.m. – 6 p.m. ET** and evening announcer **Kevin Getz** from **7 p.m. – 12 a.m. ET**.
