VRAINS*, *Super Dinosaur*, and *Transformers: Cyberverse*. Additionally, new episodes of *The Amazing World of Gumball*, *We Bare Bears*, *Wishfart*, *Teen Titans Go!* and many more, round out the fall slate. New Canadian Original Series

Starting off the fall season, follow the larger-than-life antics of Cupcake, a pastry with a Napoleon complex, and his fun-loving brother, Dino as they try to make a name for themselves in the super competitive general services business in *Cupcake & Dino: General Services* debuting **Monday, September 3** with back-to-back episodes at **6 p.m. and 6:30 p.m. ET**. Following the premiere, the series will air Saturdays at 10 a.m. and 10:30 a.m. ET.

Then, the incredibly successful and popular digital-first series *Bravest Warriors* blasts onto TELETOON on **Monday, September 3**, launching with back-to-back episodes at **8 p.m. and 8:30 p.m. ET**. Produced by Corus Entertainment's Nelvana and created by Pendleton Ward of *Adventure Time*, the animated comedy set in the far future follows the adventures of teenaged heroes-for-hire as they warp through the universe to save adorable aliens using the power of their emotions. After the premiere, the series will air Monday to Friday at 8 p.m. ET starting on Tuesday, September 4.

Plus, straight from the dojo, the sensei approved action-packed series *Chop Chop Ninja* kicks off on **Saturday, October 6 at 11:30 a.m. ET**. The new show packs some serious punch as Iro, an exuberant young ninja, along with his three friends – fellow classmates at the Ninja Academy – protect his island home from a steady onslaught of treacherous and not so treacherous villains, in hopes of proving that he deserves the legendary title of Chop Chop Ninja.

Also, this fall beginning, **Sunday, October 7 at 6:30 p.m. ET**, *Total Dramarama* is the outrageous, unexpected and totally random prequel to *Total Drama Island*. The series re-introduces *Total Drama Island* cast members as four year olds in a daycare centre. While they might be small, their personalities aren't. Inside these pint-sized bodies are hilariously familiar characters Duncan, Harold, Leshawna, Owen, Beth, Noah, Izzy, Jude, Cody, Bridgette, and Courtney, and they are not going down for their naps without a fight. Left in charge of this feisty bunch of four year olds is *Total Drama Island's* scary but loveable Chef.
