TORONTO, September 3, 2019 – As the seasons change from summer to fall, Global is gearing up for its biggest season yet with hit shows for every type of TV-lover including the ceremonious final season of *Modern Family*, new laugh-out-loud comedies *The Unicorn* and *Carol's Second Act*, and two new edge-of-your-seat thrillers, *Prodigal Son* and *Evil*. Beyond primetime, Global continues to deliver viewers new hits 24/7 with additions like late night series *A Little Late with Lilly Singh*, and the world television debut of Complex Network's revered web series *Hot Ones* and *Sneaker Shopping*.

Global heads in to fall with strong momentum from a hot summer lineup that saw the network claim more spots in the Top 20 programs amongst adults 18-34 than any other conventional broadcaster. Global's summer standouts included the #1 scripted show of the summer *BH90210*, fan favourite *Big Brother* continuing to rank in the Top 5, and Top 20 perennial Canadian hit *Private Eyes*, each ranking across all key demos and adults 18-34.

"This fall Global is set to deliver its most powerful lineup of hit shows carefully curated to bring viewers diverse content from industry heavyweights both on and off camera," said Daniel Eves, Senior Vice President of TV Networks, Corus Entertainment. "Building on the tremendous success of last year's schedule, Global's offering is positioned to bring viewers 24/7 entertainment whenever and wherever they want to watch."
