### **For Immediate Release**

**WINNIPEG, July 25, 2019 – Global News Winnipeg** is excited to welcome **Lisa Dutton** as the latest addition to the 6 p.m. newscast as of **Tuesday, July 30**. Dutton replaces longtime anchor Heather Steele, who recently celebrated her last day on-air July 12, and has joined sister radio station **Global News 680 CJOB** as Executive Producer.

No stranger to the prairies, Dutton was stationed in Saskatoon for 12 years as the morning anchor. She was a key player in the successful launch of Global News Morning Saskatoon and quickly became a favourite with viewers – covering everything from politics to parenting. Prior to her time in Saskatoon, Dutton worked as a late-night anchor in Regina and a video journalist in her hometown of Prince Albert, Saskatchewan. She relocated with her family to Winnipeg in 2015.

“Lisa’s thirst for knowledge, naturally-curious nature and passion for news has brought her back to the Global News family,” said Brent Williamson, News Director, Global News Winnipeg. “Her down-to-earth relatability helped lead Global News Morning Saskatoon to #1 in the market and makes her a natural fit for our viewers and team here in Winnipeg.”

“I’m thrilled to be back at the news desk and to be working with the forward-thinking team at Global Winnipeg,” said Lisa Dutton, Global News at 6 Winnipeg Anchor. “The opportunity to connect with viewers

using great storytelling has always been a passion of mine and I look forward to bringing Manitobans together by sharing their stories.”

Lisa is a proud mom of two boys and a rescue dog named Tate.
