Agent Binky: Pets of the Universe blasts off on **Saturday, September 7 at 12:40 p.m.** Produced by Nelvana, the series follows Binky and his fellow P.U.R.S.T. agents (Pets of the Universe Ready for Space Travel) as they protect their human families from aliens, robots, and interstellar threats. It's a pretty big job for these small pets, but this paw-some team is certified and ready for action.

Also from Nelvana, ***The Remarkable Mr. King***, based on the Kids Can Press picture book series by Montreal author-illustrator Geneviève Côté, premieres **Saturday, October 5 at 10:10 a.m.** Mr. King is a well-meaning, short sighted little lion who thinks he should know everything, but sometimes his 'big think'

causes big snags and tangles. If Mr. King tries and fails, he tries again to make things right. Mr. King shows us how to turn mistakes into wins for everyone to share.

More family favourites round out the fall schedule including Season 23 of **Thomas & Friends** pulling into Treehouse on **Sunday, September 8 at 11:50 a.m.**, and **Sesame Street** celebrates 50 years and counting. Premiering in November, beloved puppy Blue invites viewers to join her and the new live-action host, Broadway star Josh Dela Cruz, on a clue-led adventure to solve a daily puzzle.
