NEW MIDSEASON SERIES

This March, Global is the Canadian home to limited series ***The Thing About Pam***, based on the hard-to-believe, real-life story that became a worldwide true-crime phenomenon. Starring two-time Oscar-winning actress **Renée Zellweger** who will make her broadcast TV debut as both executive producer and star alongside **Josh Duhamel** and **Judy Greer**, the six-episode straight-to-series order is produced by Blumhouse Television, NBC News Studios and Big Picture Co. Jenny Klein is showrunner and executive producer of the series based on the 2011 murder of Betsy Faria that resulted in her husband Russ's conviction, although he insisted he didn't kill her. He was later exonerated. The brutal crime set off a chain of events that would expose a diabolical scheme deeply involving Pam Hupp, played by Zellweger.

The series stars Renée Zellweger, Josh Duhamel, Judy Greer, Katy Mixon, Glenn Fleshler, Gideon Adlon, Sean Bridgers, Suanne Spoke and Mac Brandt.

The Thing About Pam is executive produced by Renée Zellweger, Carmella Casinelli, Jenny Klein (showrunner), Mary-Margaret Kunze, Scott Winant, Jessica Borsiczky, Liz Cole, Noah Oppenheim, Jason Blum, Chris McCumber and Jeremy Gold. Blumhouse Television, NBC News Studios and Big Picture Co. will produce.

Then, based on the life story of professional bowler Tom Smallwood, ***How We Roll*** is a new scripted comedy series which stars comedian **Pete Holmes** as Tom, a stoic Midwest husband and dad who gets laid off from a car assembly line and makes the extraordinary decision to provide for his family by following his dream of becoming a professional bowler.

As a skilled player, Tom knows that in bowling you get two chances: no matter what you do with the first ball, you get another one to make it right – the ultimate second chance. Keeping that in mind, he begins his new career with the loving “OK” from his wife, Jen (**Katie Lowes**); the unfaltering support of Archie (**Chi McBride**), his mentor and the proud owner of “Archie’s Lanes: Home of the Curly Fry”; the cautious backing of his protective mom, Helen (**Julie White**); and the encouragement of his son, Sam (**Mason Wells**). It remains to be seen if Tom will strike it big on the pro bowler circuit, but right now, the pins are set, he’s taking his second shot, and it’s 300 or bust.

How We Roll is produced by CBS Studios. Mark Gross, David Hollander and Brian d’Arcy James are the executive producers. Mark Cendrowski directed the pilot. Distributed by ViacomCBS Global Distribution Group.

Global is a Corus Entertainment Network and is available through all major TV distributors, including: Shaw, Shaw Direct, Rogers, Bell, Videotron, Telus, Cogeco, Eastlink, SaskTel and the new STACKTV, streaming exclusively on Amazon Prime Video Channels.
