For Immediate Release

TORONTO, June 8, 2022 – Ahead of the #CorusUpfront today, **Global** unveils its 2022/23 programming lineup filled with some of the season's most talked about series pick-ups and biggest returning smash hits. Following a highly successful fall last year where Global ranked as the #1 network in core primetime*, this year's TV offering features the return of top performing hits including Canada's #1 series (**Survivor**), #1 drama (**9-1-1**), last fall's #1 new show (**CSI: Vegas**) and #1 new comedy (**Ghosts**)**. Joining Global's established schedule of top-rated hits are **five new series** with some of the biggest names on network television including OSCAR® winners **Susan Sarandon** and **Marcia Gay Harden**, plus **Skylar Astin**, **Max Thieriot**, and **Topher Grace**. In total, Global's schedule features **16.5 hours** of simulcast with four out of seven days entirely simulcast in primetime.

In addition, Corus' conventional network offers audiences even more viewing options when looking to stream its ever-growing slate of blockbuster content and newest shows across every genre, anytime they want on [STACKTV](#) and the [Global TV App](#). New this year, Corus is expanding the current in-season stacking rights to some of Global's biggest series, offering more seasons for viewers to binge.

"As last fall's most-watched Canadian network in core primetime, Global is back to win primetime once again with Canada's most impressive roster of premium content on conventional network television," said Troy Reeb, Executive Vice President, Broadcast Networks, Corus Entertainment. "With returning proven hits like *Survivor*, *CSI: Vegas*, and *Ghosts* anchoring Global's schedule, combined with fresh, sought-after new series pick-ups including *So Help Me Todd*, *Fire Country*, and *Monarch*, audiences will find the most entertaining lineup all available on Global and across our streaming services."

NEW FALL PRIMETIME SERIES

Global's first new pick-up joining the fall lineup is the much talked about light-hearted drama ***So Help Me Todd***, which stars Academy Award winner Marcia Gay Harden as razor-sharp, meticulous attorney Margaret Wright (Harden), who hires her talented, but scruffy and aimless, son Todd (Astin) as her law firm's in-house investigator.

Then, in ***Fire Country***, former *SEAL Team* star Max Thieriot plays Bode Donovan, a young convict seeking redemption and a shortened prison sentence by joining an unconventional prison release firefighting program in Northern California, where he and other inmates are partnered with elite firefighters to extinguish massive, unpredictable wildfires across the region.

Next up, ***Monarch*** is a sweeping, multi-generational music drama about America's first family of country music starring Academy Award winner Sarandon, multi-Platinum country music star and three-time Academy of Country Music (ACM) Award winner **Trace Adkins** and Golden Globe nominee **Anna Friel**, as they stop at nothing to protect their family's legacy.

In addition, love is in the air on Global this fall with the new reality romance adventure ***The Real Love Boat***, inspired by the classic hit scripted series *The Love Boat*, which brings singles together to travel the Mediterranean on a luxury cruise ship while looking for love. Destination dates, challenges and surprise

singles will test the couples' compatibility and chemistry as they navigate the romantic (and sometimes turbulent) waters ahead.

Also moving to Global's comedy lineup this fall, entering its third season, **Home Economics** stars **Topher Grace** and takes a look at the heartwarming yet super uncomfortable and sometimes frustrating relationship between three adult siblings: one in the 1%, one middle-class and one barely holding on.

These shows join new seasons of Global's returning hits like **Survivor**, **CSI: Vegas**, **9-1-1**, **The Equalizer**, the **NCIS** and **FBI** franchises, **Ghosts**, **Abbott Elementary**, the farewell season of **New Amsterdam**, plus much more.
