**TORONTO, August 18, 2023** – Season 10 of **The HISTORY® Channel's #1 series\***, ***Alone***, concluded last night with **Alan Tenta** from Columbia Valley, B.C. outlasting 9 competitors to take home the \$500,000 USD cash prize. Alan's Canadian counterpart, **Wyatt Black** from Bracebridge Ontario, finished second in the season's final episode. Both participants tapped into their survival skills to withstand bone-chilling temperatures and face off against North America's largest animals, completely alone. In addition to being the #1 show on the network, *Alone* is the #2 overall specialty entertainment program this Summer\* and has been the #1 ranked show on STACKTV\*\* each day since the Season 10 premiere on June 8, engaging audiences across both linear and streaming platforms.

"It was an honour to be selected for *Alone*, Season 10 and experience the journey with this talented group of participants who I will always have a deep connection with," answered Alan when asked how he felt about his big win. "I'm grateful for the advice and support from my wife, family, friends, and students who allowed me to push through the difficult times. As a Canadian who spends time in the outdoors, I was fortunate to be familiar with the plants, animals, and climate of the area."

Alan faced a series of physical and spiritual hurdles while competing in Northern Saskatchewan. From unsuccessful hunting attempts to fighting his own inner battles as he reflected on his father's passing, Alan overcame each challenge stronger than before. Throughout the course of the season, he

utilized his skills to build shelter, hunting traps, and multiple fishing lures; preserved his food by smoking it; and in his time alone, deepened his spiritual connection with his father. Alan's appreciation and understanding of the land, and its beauty, kept his spirits high and helped secure his spot as the last person standing.

*Alone* is produced for The HISTORY® Channel by Leftfield Pictures (an ITV America company). Shawn Witt, Ryan Pender and Rafael Monserrate serve as executive producers and Jeffrey Rodriguez serves as Supervising Producer for Leftfield Pictures. Zachary G.
