TORONTO, September 3, 2025 – The HISTORY® Channel's hit original series *Ice Road Truckers* is back for an epic Season 12 return on **Thursday, October 30 at 10 p.m. ET/PT**. From its original series premiere in 2007, the fearless truckers return like never before to the treacherous terrain of icy roads and frozen lakes in Northern Canada delivering crucial supplies and necessities to isolated communities. With a winter window shorter than ever and no time to waste, these drivers risk everything to haul in a lifeline of goods while chasing big paydays before the opportunity melts away under their chained tires.

At the world's northern edge, people and cultures cut off from civilization are briefly connected by a lifeline of roads paved with ice. Each year, a group of skilled, highly trained, and thrill-seeking truckers put their lives on the line to beat nature's clock – battling dangerous roads, deadly frostbite, and brutal conditions to deliver life-saving supplies such as food and building materials to remote communities. This season, veterans like Todd Dewey and Lisa Kelly return with no hesitation – and no practice runs – while rookies

emerge, determined to prove they have what it takes to reign supreme on the ice. With higher stakes, greater risks, and bigger rewards than ever before, it's them vs. nature.

Ice Road Truckers is produced for The HISTORY Channel and Corus Entertainment by Original Productions and Eagle Vision. Kyle Irving, Lisa Meeches, and Rebecca Gibson are executive producers for Eagle Vision. Jeff Hasler, Brian Lovett, Meredith Prunkard, and Patrick Costello are executive producers for Original Productions. Eli Lehrer, Mary E. For Corus Entertainment, Lynne Carter is Director of Original Programming, and Rachel Nelson is Vice President of Original Programming and Head of Corus Studios.
