Home Network kicks off the return of its high-stakes renovation competition series just in time for cottage season. McGillivray and Baeumler are back with Season 3 of ***Renovation Resort***—and this time, they're headed to the lake! Premiering **Sunday, April 5 at 9 p.m. ET/PT**, four teams of talented builder-designers from across North America go head-to-head in the premier real estate renovation battle, transforming a long-neglected lakeside resort into the ultimate vacation destination. Over eight weeks, these duos battle to create breathtaking, one-of-a-kind vacation homes in the Kawarthas. The competing teams include:

- Tatianna and Thomas, Vancouver, B.C.
- Marcy and Melissa, Niagara, Ont.
- Chalon and Liz, Texas, U.S.A.
- Taylor and Mehrdad, Vancouver, B.C.

Each team must push their creativity and skills to the limit, navigating unexpected twists and bigger, bolder challenges than ever before. With a lineup of special guest judges who will critique every daring design choice, the last team standing will take home a game-changing \$100,000 prize and the coveted title of *Renovation Resort* champions. Viewers can catch up on previous seasons of *Renovation Resort* on [STACKTV](#).

Helping families regain control from clutter and disorganization, design expert Wilson and builder Brain are ready to step in with the series premiere of ***Life Is Messy*** on **Thursday, April 9 at 9 p.m. ET/PT** on Home Network. When homes get buried under excessive mess and spaces shrink from too much stuff, life can feel overwhelming. The unstoppable pair utilize small budgets to create big ideas and greater spaces, guiding families through the physical and emotional evolution that comes with letting go.

Each week, audiences will watch Wilson and Brain save families from their chaos, including homes taken over by active toddlers, tired parents playing musical bedrooms with dogs and children, and a single mother feeling boxed-in back in her childhood home. These hijacked spaces will be reimaged with smart designs and clever storage solutions, turning dysfunction into comfort, and helping families reclaim their space so they can breathe again.

This spring, Home Network also brings viewers an exciting lineup of new and returning series. Starting things off is ***George Clarke's Flipping Fast***, premiering **Monday, March 2, at 9 p.m. ET/PT**.
