TORONTO, March 26, 2026— Today, Corus Entertainment announced the sponsor lineup powering Season 3 of *Renovation Resort*. Following the success of *Renovation Resort*'s second season which reached over 2.3 million Canadians and landed in Home Network's Top 3 programs*, the popular renovation series welcomes five renowned global and national brands for its upcoming season. These premium sponsorships include both active and passive show integrations, billboards and brand presence throughout the season. *Renovation Resort* Season 3 premieres **Sunday, April 5 at 9 p.m. ET/PT on Home Network** and streams exclusively on [STACKTV](#).

This season, McGillivray and Baeumler are taking the competition lakeside to the Kawarthas. Over the course of eight weeks, four duos – comprised of builders and designers from across North America – will compete to create stunning lakeside vacation homes. The four teams will push themselves to the limit in a grueling competition with big, bold challenges to earn the title of *Renovation Resort* Champion and a \$100,000 prize.

Online retailer **Wayfair**, the trusted destination for all things home, is the official furnishing partner for Season 3 of *Renovation Resort*, offering a dynamic multi-platform integration both in-show and across social media. The partnership includes Wayfair décor and furnishings featured in-show through active and passive integrations, along with a branded seacan shipping container, providing exposure throughout the season. Wayfair also provides additional prize sponsorship in three episodes, along with co-branded content and brand presence across all platforms.

It's not just the competitors who can win prizes: Viewers also have the chance to win \$10,000 to spend on Wayfair.ca during the ***Renovation Resort Watch & Win*** contest, which will run in-show, from April 5 to May 31. Tune In each week to find the weekly code word to enter.

All season long viewers can “Shop the Look” on Wayfair with custom shoppable vignettes running across Home Network, [STACKTV](#) and the Global TV app. Each vignette includes a QR code that directs viewers to a Wayfair landing page featuring furniture and décor used in the show.

Beyond *Renovation Resort*, and as a part of Wayfair's partnership with Home Network, the collaboration extends to include monthly co-branded content that will feature vignettes, social videos, lower thirds, and DIY Studio Hosted Segments running throughout the season and beyond.

Pollard Windows & Doors is the official window and door provider, with exclusive in-show placement. The partnership includes integrations featuring the new PanaView folding door, as well as a dynamic range of custom windows and doors.

As the official cleaner and sponsor of *Renovation Resort*, **Clorox™** Disinfecting Wipes, Sprays, and Bleach provide competitors with the cleaning power they need to ensure that their renovated spaces are sparkling clean and reveal-ready.

Veradek Outdoor enhances *Renovation Resort's* outdoor spaces with durable, stylish, Canadian-made products that are purposefully embedded across the season. Providing both privacy and style, **Hoft Solutions'** outdoor screens and fencing are seamlessly integrated throughout the lake house renovations.

This season also touts an all-star lineup of guest judges from popular renovation shows and Home Network favourites, who will critique the team's style and design choices. Guest judges include:

- Sarah Baeumler (*Building Baeumler*)

- Kenny Brain (*Life Is Messy*)
