

Corus Launches Vivéo: A New French-Language Streaming Platform

Featuring dramatic series from **Séries Plus**, documentaries from **Historia**, **Adult Swim's** flagship series, the **DC** animated universe and much more for just **\$4.99** per month

For Immediate Release

MONTREAL, April 30, 2026 – Corus Entertainment Inc. announced today that it is strengthening its digital presence with the launch of **Vivéo**, its new French-language streaming platform. Now available through Prime Video Add-on Subscriptions in Canada, Vivéo offers subscribers a rich and diverse catalogue of content at a competitive price of \$4.99 per month.

“This platform allows us to move beyond traditional broadcasting to give French Canadians a new way to access stories that resonate with them. By following the evolving viewing habits, we are making our French-language content available anytime, anywhere, and in a simple and user-friendly technological environment,” said Julie Godon, Head of French specialty networks at Corus.

An Exclusive Lineup at an Accessible Price

As of today, Vivéo offers more than 200 series and films, representing nearly 2,000 hours of content. Thanks to an ad-supported hybrid model, the platform delivers high-quality programming at a very affordable price point. Each title has been carefully curated to strike the right balance between major fan favourites and exclusive discoveries, ensuring a comprehensive entertainment offering for all types of viewers. The catalogue will also be enriched on a regular basis, notably with new original productions from Historia and Séries Plus added the day after its television broadcast.

Vivéo's content offering includes:

- **Signature French-Language Originals:** Original productions from Séries Plus and Historia, including *Annie & Joey*, *Bête noire*, *Anticosti*, *Steak*, *blé d'Inde*, *patates* and *Crimes du Nord*, along with new titles from these networks added to the platform the day after their linear television broadcast.
- **The Adult Swim Universe:** A go-to destination for the brand's bold and cult-favourite series, such as *Rick and Morty*, *Smiling Friends*, *Common Side Effects* and *Robot Chicken*.
- **International Hits:** A proven selection of drama series, documentaries and lifestyle programming, including *Nightsleeper*, *Murder in a Small Town*, *Catch Me a Killer*, *Rust Valley Restorers*, *American Pickers*, *Big Food Bucket List*, *Fire Masters* and *Rock Solid Builds*.
- **Kids' Classics and Fan Favourites:** Hit shows from Warner Bros. Animation and the DC animated universe, starring Batman as well as *Teen Titans Go!* and *DC Super Hero Girls*, along with timeless classics starring Tom and Jerry, Scooby-Doo, and popular series such as *Looney Tunes Cartoons* and *Animaniacs*.

A Seamless Experience on Prime Video

Through Prime Video Add-on Subscriptions, Vivéo delivers a smooth and intuitive viewing experience. Subscribers benefit from centralized subscription management and easy navigation.

Vivéo plans to expand its distribution by partnering with additional services in the coming months, with the goal of becoming a leading destination for French-language content across Canada.
