FOR IMMEDIATE RELEASE

TORONTO, June 3, 2026 – Today, **Global** announced its 2026/27 broadcast season slate featuring four new U.S. acquisitions and the launch of two new Canadian productions. These new programs join Global's hit lineup, which holds 13 of the top 20 most-watched series this spring*. Global's fall 2026 schedule will deliver **16.5 hours** of premium simulcast programming and is available to stream on [STACKTV](#) and the [Global TV App](#).

The new scripted programming acquisitions on Global kick off with **NCIS: New York**, which sees **LL COOL J** reprising his role as Special Agent Sam Hanna and also stars **Scott Caan (Hawaii Five-O)**. This latest **NCIS** universe expansion follows Hanna (LL COOL J) as he returns to his hometown, New York City, and partners with a roguish special agent (Caan).

Then, from Emmy® Award-nominated executive producers **Robert** and **Michelle King** and starring **Mike Colter** comes **Cupertino**. The show follows a wronged lawyer (Colter) as he partners with a promising young attorney (**Rachel Keller**) to stand up against the giants of Silicon Valley in a David vs. Goliath battle. **Ella Stiller**, **Busy Phillips**, **Nik Dodani** and **Renee Elise Goldsberry** also star recurring alongside many more guest stars still to be announced.

Next up is new comedy **Eternally Yours**, from the executive producers of hit Global comedy **Ghosts**. This eternal love story is about two vampires, played by **Ed Weeks** and **Allegra Edwards**, who have been married for 500 years, living in present day Seattle with their oddball coven as they struggle to accept the human who is dating their daughter.

Lastly for U.S. acquisitions on Global this season, **Einstein**, a new light-hearted drama starring **Matthew Gray Gubler** and **Melissa Fumero**, joins the roster mid-season. In **Einstein**, Gubler stars as the brilliant

but directionless great-grandson of Albert Einstein, who is forced to put his reckless antics behind him, utilizing his genius to help solve crimes with a local police detective (Fumero).

This fall also welcomes the premiere of the [previously announced](#) Global Original **Private Eyes West Coast** from Lionsgate Canada and Piller/Segan. Starring **Jason Priestley** and **Cindy Sampson** reprising their roles as Matt Shade and Angie Everett, the duo has traded Toronto for the West Coast, embracing a fresh start both personally and professionally. As they settle into life in Victoria and launch a brand-new P.I. firm, Shade and Angie navigate the growing pains of starting over in an unfamiliar city: balancing high-stakes cases, evolving relationships, and the challenge of building a new community from the ground up. Without their trusted Toronto network to lean on, the pair must rely on each other more than ever as they tackle a slate of adrenaline-fueled investigations. From tracking down a missing student deep in the B.C. wilderness to extracting a murder confession from a surfer in Tofino, Shade and Angie quickly discover that life on the West Coast comes with even bigger risks, higher stakes, and plenty of unexpected twists.

Alongside these highly-anticipated new shows are Global's returning fall hits including the #1 reality series **Survivor**, #1 drama **9-1-1** and #1 new spring show **CIA***. In addition, top 20-ranked series [FBI](#), [NCIS](#), [NCIS: Origins](#), [Sheriff Country](#) and [Elsbeth](#)* all return as well as award-winning [Abbott Elementary](#), plus heart-pounding [Fire Country](#), and investigative, unscripted programming including [Harlan Coben's Final Twist](#), [60 Minutes](#) and Canadian original [Crime Beat](#). Fan-favourite series on Global continue mid-season with the return of #1 comedy **Ghosts**, top 20-ranked [Matlock](#) and [NCIS: Sydney](#)* as well as Canadian Screen Award-nominated [Murder in a Small Town](#).

Corus also has plenty more to celebrate within its award-winning **Global News** portfolio, as the home to the #1 morning newscast, #1 noon newscast, and #1 national newscast**. Reaching more than 16 million Canadians each month across linear and digital platforms***, with 91 per cent of viewing to our linear news broadcasts being watched live**** and five per cent growth year-over-year for live viewing on digital platforms*****. New this fall, the team behind *The Morning Show*, the #1 Canadian news/lifestyle morning program*****, is launching its expanded series **TMS2**, with Global Entertainment's **Morgan Hoffman** at the helm. Please see yesterday's [announcement](#) with more details on **TMS2** to be announced.

"With Global's latest acquisitions, original programming premieres and top-rated, fan-favourite returning hit shows, the network's 2026/27 slate is full of the biggest titles on television – delivering Canadian audiences a lineup of series across genres and platforms that truly resonate," said Jennifer Abrams, Senior Vice President, Content and Marketing, Corus Entertainment. "With Shade and Angie back on *Private Eyes West Coast*, the addition of **TMS2** to Global's daytime offering, and some of the most-anticipated pickups coming out of L.A. screening week including *Eternally Yours*, *Cupertino*, *NCIS: New York* and *Einstein*, Global is poised to once again have viewers watching the most entertaining, engaging and reliable schedule with top-rated and fan-favourite shows every day of the week."
